

Mr. Russell and Mrs Shirley Marlett

This is just a short note to say hello and praying that God has you all and your families in his care and Grace, u are doing ok here, Shirley, Russ can verify this, #10 Kairo's walk had a profound impact on all of us who made the walk but it also had a effect on previous Kairo's walk members as it effected other inmates who have never been in Kairo's made a bond in between brothers who previously had been on this unit 7 or 8 yrs and had never spoke to one another, next had they wandered from their peer groups, So I want to thank God and you all as being vessels of God to make these progra a success, Hope fully I can be as inspiring to others as you all have been to us. Thank you, your Kairo's Bro. Otis Bell

Dear Sponcer,

Before I came to Kairos, my life never before felt anything, but loneliness and confused about a lot of things. I don't if you know anything about prison life, but these four days have change me + my hold outlook on everything love is something I've never had and always been afraid to take a chance on. untill about these last 4 days made see through that all. I've always known about Christ + the Lord.

Kairos has made see that everything has been done for a reason. The reality hit hard.

I realize, that there are people out there, that really care enough about others to show me this care + love I've never experienced before.

There arint enough words to say about how much you mean to me, about what you've done, so that I might be able to know Christ.

I will never forget these few days for the rest of my life. my God Bless you always.

Thank you so very very much

Sincerely

Mr. Eugene Fuller
